

**Three Rivers Park District Foundation**  
**Addendum to 2022 Annual Report**

Major program support and key accomplishments

\$135,837 - Support to Three Rivers Park District for various programs and areas in the parks including parks and trail funding, Pathways internship program, explorer camp programs, and adapted recreation programs.

- Over 800 youth were served across 74 explorer camp and club programs.
- More than 320 adapted recreation program athletes were served across 67 programs and 10 different activities.
- 175 rides for 11 interns were provided for the Pathways internship program.
- Phase one of a historically significant farmhouse restoration project was started. Completion is planned for 2023 or 2024.

\$36,528 - Support to Three Rivers Park District for nature centers and projects within the parks.

- A new teaching pavilion was built at Gale Woods Farm, which will be used for school groups, summer camps, and other community events.
